

## BAe 146

(85-100Y /// Range:2,075Km)

Short to medium range aircraft

The BAe 146 is a British built regional four-engined jet airliner. With 80 seat configuration, the BAe 146 convenience, comfort and speed make it a firm favourite with passengers. Known as the “Whisper Jet”, this quiet, modern aircraft can operate almost anywhere – even the most environmentally sensitive airports and those with short runways. Discerning passengers appreciate the wide, comfortable leather seats with extra legroom.
